CLUB PURPOSE:

To promote, direct, support and encourage competitive amateur cycling of club members at the local, state, national and world levels. To raise funds for the benefit of the club's general membership and to support the club's racing members. To solicit new members from the regional cycling community through written advertisement, verbal contact, and by each member maintaining a positive, friendly but competitive image when wearing the CA POOLS/DEWALT Cycling Team uniform.

CLUB RACE:

The USCF requires clubs to sponsor at least one race per year and the CA POOLS/DEWALT Cycling Team's event for 2010 is already in the planning stages. The success of this race determines how much money can be spent for member reimbursements and support. It is the board's intentions to reimburse Cat. 3 and higher category riders two races per month (total of \$40), and Cat. 4/5s one race per month (total of \$20). A high caliber event like ours (Tour de Murrieta) requires a great deal of staffing. Assisting with this event whether it be before, during, or after the event is a **requirement** of each club member.

RACING REIMBURSEMENT PROGRAM: (please read completely)

Race: Funding for reimbursement is dependent upon club funds and individual agreements between riders and the team's Board of Directors. Any other anticipated race expenses such as out of area travel shall be pre-negotiated with the team's Board of Directors.

Qualification for Race Reimbursements: The following requirements apply: 1) Work the club race-**no exceptions**. Note: Qualification lasts one year (one racing season). 2) Wear the current year's jersey when racing. 3) Wear the current year's jersey when accepting awards. 4) Have CA POOLS/DEWALT or the appropriate team name listed as your team on your racing license.

Limitations: Total dollar amounts available for reimbursement are dependent on the financial success of the race and the club as a whole. The reimbursement policy may be modified by the Board of Directors. Modifications will be posted on the team's website/Forum. Recreational members are not eligible for the racing reimbursement program, and instead, like the rest of the membership, benefit from all the same equipment sponsorship benefits provided to the team members.

Membership Discounts: Members will be eligible for product discounts as they become available.
