

# **REVISED WINTER START TIMES** **DAYLIGHT SAVINGS CHANGE THIS MONTH** **TOO**

## **Sunday Rides**

**Summer Start out time of 8.00am**

**Corner of Apis and Hwy 79 South in Redhawk**

**Accommodations will be made for riders who want to return early and not do a monumental amount of mileage! A steady pace will be maintained for the first twenty miles and then a regroup and a return back to the starting place, in order to encourage the sane to ride with the hammerheads!**

**The buddy system has been proposed by some, so a dropped rider with bad legs or bad components can be waited for when his/her buddy informs the lead group of their situation. This is open for discussion before the ride starts Sundays.**

**Sunday November 2nd 8.00am Morro**

## **Heights**

Meadows Parkway across Hwy 79 and left onto De Portola, left on La Paz Street right on Hwy 79 and left onto Pechanga Parkway right onto Pala Road and onto Rainbow Canyon Road, **RegroupHere** which becomes Frontage Road then Old Highway 395 and right onto East Mission Road, left down Live Oak Canyon Road and a careful right at the bottom onto Reche Road, left onto South Stage Coach Road a left on S Mission Road and immediately right onto Olive Hill Road, which becomes Burma Road then Sleeping Indian Road go left onto Morro Hills Road and down to the T which is Olive Hill, where go right and down to Hwy 76, **RegroupHere** across at the light and left onto West Lilac, follow the race course to Hwy 395 where left down the hill through the light at Hwy76 left at the golf course and right onto Reche Road before a left onto Ranger Road (be careful here)and up to East Mission where right and then left over the freeway and left **RegroupHere** back through Rainbow and down to the sprint over the bridge at Temeku Creek Golf Course and fly for the Homeowners signpost, then left on Pechanga Parkway right onto Hwy 79 south and back to Apis and the Parking lot.)

## Sunday November 9<sup>th</sup> 8.00am DeLuz and Fallbrook

Depart East onto Meadows Parkway and cross HWY79 then left onto De Portola, left onto Santiago Road across Old Town Front Street and right on Pujol, continue on Felix Valdez Road and left onto Ranch California Road, up the first hill, and left onto Avenida Del Oro **Regroup** left onto Sandia Creek, (be careful on the 50mph.descent) left at De Luz Road, over the top and left on Mission in Fallbrook. **Regroup** (Short ride group head straight for the freeway and left over Rainbow back to the start.) Before the descent towards the freeway the long distance group can right turn into Live Oak Canyon Road and just before the bottom **RegroupHere** we will take the Paul Wilson/Mark Berg detour to avoid most of Reche Road, and then left onto Ranger Road and right at the top and down to the freeway. Left over the freeway **Regroup** left on to Frontage road right at the top onto Rainbow Canyon Road and back onto Frontage Road down Rainbow Canyon, left onto Pechanga Parkway right onto Hwy 79 south and back to the Apis parking lot.

## Sunday November 16<sup>th</sup> Beautiful Bonsall 8.00am

Down the most fun descent to Hwy 76 where a quick left and right onto Rice Canyon, up to the top, where it becomes 8th Street right onto Rainbow Valley Blvd which becomes Frontage Road and then Rainbow Canyon Road and left at the bottom onto Pala Road and right onto HWY 79 back to Apis, where right into the parking lot.

## Sunday November 23th 8.00am Beautiful Bonsall Backwards

Depart the Parking lot cross Hwy 79 south and go West along De Portola to Jedediah Smith and right onto Hwy 79 then left onto Pechanga Parkway up Rainbow Canyon **RegroupHere** and left onto Rainbow Valley Road. Down Rice Canyon and up Couser Canyon **RegroupHere**, right onto Lillac Road and left over the top into West Lillac Road, (**RegroupHere** on Hwy 395 and West Lillac, and a return to Temecula on Hwy 395 and frontage Road) hammerheads thus to Bonsall and the McDonalds on Hwy 76, across the road and up Olive Hill, right at the end and down Olive Hill, left on Mission and immediately right onto Stage Coach Road, all the way to East Mission where a right turn and out over I15 left on Frontage Road **RegroupHere** and back down Rainbow Canyon, left on Pechanga and right onto Hwy 79, right on Avenida Misiones and along the service road back to the parking lot.

## The Thanksgiving 8.00am November 27<sup>th</sup> Palomar Mountain (Very Hilly)

Meeting at the parking lot on Meadows/Apis at 7.30 am if you wish to car pool to Hwy 76. Meeting at 7.00am if you want to ride down Pala Grade and risk the narrow shoulders on Hwy 76 east. **Meeting at 8.00am at Jilberto's restaurant on the South side of Hwy 79.**

Ride east on hwy 76 for about three miles then the climbing starts, take the left turn Palomar Mountain Road, ride till your legs are toasted. Hopefully you will be at the top. Turn left to the store and continue on to the observation telescope. Return to the store and turn left for the long ride down the east grade and back up again. Cross the intersection and continue on the long fourteen mile descent, careful right onto the highway 76, and continue down, and along to Jilberto's.

## Sunday November 30th 8.00am Domenigoni Drag Strip

Leave parking lot go to Pauba where right to Anza turn right and go down to DePortola, where left, at the top of the grade go left on Glenoaks Road and right on Mesa which becomes East Benton, then left onto Sage and up to the fire station. (here the short ride can turn for about 40 miles total) the long ride group will go over the top and down to State Street. Left onto Domenigoni Parkway and a quick blast along to Winchester where U turn and back to State Street, Cactus Valley Road and Sage Road up the other side of the hill. Take E Benton Road follow the road onto Mesa Road turn left on Glenoaks Road then soon right on De Portola Road all the way down to Anza, turn right onto Anza Road and then left on Pauba, left onto Butterfield Stage Road. Right onto De Portola Road again, then left at Meadows Parkway and cross Hwy 79 to the meeting place. (Should be near 65 miles)
